

**UPD780101MC-024-CAB-E1-AX Information**

For Reference Only

**Part Number** [UPD780101MC-024-CAB-E1-AX](#)
**Manufacturer** Renesas Electronics America

**Category** Integrated Circuits (ICs)  
[Embedded - Microcontrollers](#)
**Description** IC MCU

**Package** -

For the pricing/inventory/lead time, please contact us

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**UPD780101MC-024-CAB-E1-AX Specifications**

|                            |                                                                          |
|----------------------------|--------------------------------------------------------------------------|
| Manufacturer Part Number   | <a href="#">UPD780101MC-024-CAB-E1-AX</a>                                |
| Manufacturer               | Renesas Electronics America                                              |
| Category                   | Integrated Circuits (ICs)<br><a href="#">Embedded - Microcontrollers</a> |
| Package                    | -                                                                        |
| Series                     | *                                                                        |
| Core Processor             | -                                                                        |
| Core Size                  | -                                                                        |
| Speed                      | -                                                                        |
| Connectivity               | -                                                                        |
| Peripherals                | -                                                                        |
| Number of I/O              | -                                                                        |
| Program Memory Size        | -                                                                        |
| Program Memory Type        | -                                                                        |
| EEPROM Size                | -                                                                        |
| RAM Size                   | -                                                                        |
| Voltage - Supply (Vcc/Vdd) | -                                                                        |
| Data Converters            | -                                                                        |
| Oscillator Type            | -                                                                        |
| Operating Temperature      | -                                                                        |
| Mounting Type              | -                                                                        |
| Package / Case             | -                                                                        |
| Supplier Device Package    | -                                                                        |

## UPD780101MC-024-CAB-E1-AX Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## UPD780101MC-024-CAB-E1-AX Payment Methods

## UPD780101MC-024-CAB-E1-AX Shipping Methods

If you have any question about UPD780101MC-024-CAB-E1-AX, please do not hesitate to contact us!
