

**V181DHB34 Information**

For Reference Only

**Part Number** [V181DHB34](#)  
**Manufacturer** Littelfuse Inc.  
**Category** Circuit Protection  
[TVS - Varistors, MOVs](#)  
**Description** VARISTOR 282V 40KA SQUARE 34MM  
**Package** Square 34mm, Tabs

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**V181DHB34 Specifications**

|                          |                                                             |
|--------------------------|-------------------------------------------------------------|
| Manufacturer Part Number | <a href="#">V181DHB34</a>                                   |
| Manufacturer             | Littelfuse Inc.                                             |
| Category                 | Circuit Protection<br><a href="#">TVS - Varistors, MOVs</a> |
| Package                  | Square 34mm, Tabs                                           |
| Series                   | DHB34                                                       |
| Varistor Voltage (Min)   | 254V                                                        |
| Varistor Voltage (Typ)   | 282V                                                        |
| Varistor Voltage (Max)   | 310V                                                        |
| Current - Surge          | 40kA                                                        |
| Energy                   | 330J                                                        |
| Number of Circuits       | 1                                                           |
| Number of Circuits       | 1                                                           |
| Maximum AC Volts         | 180VAC                                                      |
| Maximum DC Volts         | 240VDC                                                      |
| Capacitance @ Frequency  | 6800pF @ 1MHz                                               |
| Operating Temperature    | -55°C ~ 85°C (TA)                                           |
| Mounting Type            | Through Hole                                                |
| Package / Case           | Square 34mm, Tabs                                           |

## V181DHB34 Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## V181DHB34 Payment Methods

## V181DHB34 Shipping Methods

If you have any question about V181DHB34, please do not hesitate to contact us!
