

**VCO-3500SMT2TC Information**

For Reference Only

**Part Number** [VCO-3500SMT2TC](#)  
**Manufacturer** RFMD  
**Category** Crystals, Oscillators, Resonators  
[VCOs \(Voltage Controlled Oscillators\)](#)  
**Description** IC OSCILLATOR VCO  
**Package** TO-8 Style, 4 Lead  
 For the pricing/inventory/lead time, please contact us

| Package                  | TO-8 Style, 4 Lead                                                                         |
| Series                   | VCO                                                                                        |
| Frequency Range          | -                                                                                          |
| Frequency - Center       | -                                                                                          |
| Voltage - Supply         | -                                                                                          |
| Tuning Voltage (VDC)     | -                                                                                          |
| 2nd Harmonic, Typ (dBc)  | -                                                                                          |
| Icc Max                  | -                                                                                          |
| Pushing (MHz/V)          | -                                                                                          |
| Power (dBm)              | -                                                                                          |
| Phase Noise Typ (dBc/Hz) | -                                                                                          |
| Operating Temperature    | -                                                                                          |
| Package / Case           | TO-8 Style, 4 Lead                                                                         |
| Size / Dimension         | 0.504" Dia (12.80mm)                                                                       |
| Height                   | 0.270" (6.86mm)                                                                            |

## VCO-3500SMT2TC Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## VCO-3500SMT2TC Payment Methods

## VCO-3500SMT2TC Shipping Methods

If you have any question about VCO-3500SMT2TC, please do not hesitate to contact us!
