

**VE-J1X-IW Information**

For Reference Only

**Part Number** [VE-J1X-IW](#)  
**Manufacturer** Vicor Corporation  
**Category** Power Supplies - Board Mount  
[DC DC Converters](#)  
**Description** CONVERTER MOD DC/DC 5.2V 100W  
**Package** Half Brick

| Package                  | Half Brick                                                       |
| Series                   | VE-J00                                                           |
| Type                     | Isolated Module                                                  |
| Number of Outputs        | 1                                                                |
| Voltage - Input (Min)    | 21V                                                              |
| Voltage - Input (Max)    | 32V                                                              |
| Voltage - Output 1       | 5.2V                                                             |
| Voltage - Output 2       | -                                                                |
| Voltage - Output 3       | -                                                                |
| Voltage - Output 4       | -                                                                |
| Current - Output (Max)   | 19.23A                                                           |
| Power (Watts)            | 100W                                                             |
| Voltage - Isolation      | 3kV (3000V)                                                      |
| Applications             | ITE (Commercial)                                                 |
| Features                 | OCP, SCP                                                         |
| Operating Temperature    | -40°C ~ 100°C                                                    |
| Efficiency               | 90%                                                              |
| Mounting Type            | Through Hole                                                     |
| Package / Case           | Half Brick                                                       |
| Size / Dimension         | 2.28" L x 2.40" W x 0.50" H (57.9mm x 70.0mm x 12.7mm)           |

### VE-J1X-IW Guarantees

**Quality Guarantees**

We provide 90 days warranty. \*  
 If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

**Service Guarantees**

We guarantee 100% customer satisfaction.  
 Our experienced sales team and tech support team back our services to satisfy all our customers.

### VE-J1X-IW Payment Methods

### VE-J1X-IW Shipping Methods

If you have any question about VE-J1X-IW, please do not hesitate to contact us!
