

**VE-J6W-IZ-B1 Information**

For Reference Only

**Part Number** [VE-J6W-IZ-B1](#)  
**Manufacturer** Vicor Corporation  
**Category** Power Supplies - Board Mount  
[DC DC Converters](#)  
**Description** CONVERTER MOD DC/DC 5.5V 25W  
**Package** Half Brick

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**VE-J6W-IZ-B1 Specifications**

|                          |                                                        |
|--------------------------|--------------------------------------------------------|
| Manufacturer Part Number | <a href="#">VE-J6W-IZ-B1</a>                           |
| Manufacturer             | Vicor Corporation                                      |
| Category                 | Power Supplies - Board Mount                           |
|                          | <a href="#">DC DC Converters</a>                       |
| Package                  | Half Brick                                             |
| Series                   | VE-J00                                                 |
| Type                     | Isolated Module                                        |
| Number of Outputs        | 1                                                      |
| Voltage - Input (Min)    | 200V                                                   |
| Voltage - Input (Max)    | 400V                                                   |
| Voltage - Output 1       | 5.5V                                                   |
| Voltage - Output 2       | -                                                      |
| Voltage - Output 3       | -                                                      |
| Voltage - Output 4       | -                                                      |
| Current - Output (Max)   | 4.55A                                                  |
| Power (Watts)            | 25W                                                    |
| Voltage - Isolation      | 3kV (3000V)                                            |
| Applications             | ITE (Commercial)                                       |
| Features                 | OCP, SCP                                               |
| Operating Temperature    | -40°C ~ 100°C                                          |
| Efficiency               | 90%                                                    |
| Mounting Type            | Through Hole                                           |
| Package / Case           | Half Brick                                             |
| Size / Dimension         | 2.36" L x 2.28" W x 1.08" H (59.9mm x 57.9mm x 27.4mm) |

|                                |   |

## VE-J6W-IZ-B1 Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## VE-J6W-IZ-B1 Payment Methods

## VE-J6W-IZ-B1 Shipping Methods

If you have any question about VE-J6W-IZ-B1, please do not hesitate to contact us!
