

**VI-24L-CX Information**

For Reference Only

**Part Number** [VI-24L-CX](#)  
**Manufacturer** Vicor Corporation  
**Category** Power Supplies - Board Mount  
[DC DC Converters](#)  
**Description** CONVERTER MOD DC/DC 28V 75W  
**Package** Full Brick

| Package                  | Full Brick                                                       |
| Series                   | VI-200                                                           |
| Type                     | Isolated Module                                                  |
| Number of Outputs        | 1                                                                |
| Voltage - Input (Min)    | 55V                                                              |
| Voltage - Input (Max)    | 100V                                                             |
| Voltage - Output 1       | 28V                                                              |
| Voltage - Output 2       | -                                                                |
| Voltage - Output 3       | -                                                                |
| Voltage - Output 4       | -                                                                |
| Current - Output (Max)   | 2.68A                                                            |
| Power (Watts)            | 75W                                                              |
| Voltage - Isolation      | 3kV (3000V)                                                      |
| Applications             | ITE (Commercial)                                                 |
| Features                 | OCP, OTP, OVP, SCP                                               |
| Operating Temperature    | -25°C ~ 85°C                                                     |
| Efficiency               | 90%                                                              |
| Mounting Type            | Through Hole                                                     |
| Package / Case           | Full Brick                                                       |
| Size / Dimension         | 4.60" L x 2.40" W x 0.50" H (116.8mm x 61.0mm x 12.7mm)          |
