### **Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

## **VIPER53SP Specifications**

| Manufacturer Part Number   | VIPER53SP  |                |
|----------------------------|--|----------------|
| Manufacturer               | STMicroelectronics   |                |
| Category                   | Integrated Circuits (ICs)                                    |                |
|                            | PMIC - AC DC Converters, Offline Switchers                   |                |
| Package                    | PowerSO-10 Exposed Bottom Pad                                |                |
| Series                     | VIPER?   |                |
| Output Isolation           | Isolated   |                |
| Internal Switch(s)         | Yes  |                |
| Voltage - Breakdown        | 620V   |                |
| Topology                   | Flyback  |                |
| Voltage - Start Up         | 11.5V  |                |
| Voltage - Supply (Vcc/Vdd) | 8.4 V ~ 19 V   |                |
| Duty Cycle                 | -  |                |
| Frequency - Switching      | Up to 300kHz   |                |
| Power (Watts)              | 65W  |                |
| Fault Protection           | Current Limiting, Over Load, Over Temperature, Short Circuit |                |
| Control Features           | EN, Frequency Control, Soft Start                            |                |
| Operating Temperature      | -40°C ~ 150°C (TC)   |                |
| Package / Case             | PowerSO-10 Exposed Bottom Pad                                |                |
| Supplier Device Package    | 10-PowerSO   |                |
| Mounting Type              | Surface Mount  |                |
|                            |  | Report errors? |

#### **VIPER53SP** Guarantees

Quality Guarantees

We provide 90 days warranty. \* If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

# SERVICE

#### **Service Guarantees**

We guarantee 100% customer satisfaction. Our experienced sales team and tech support team back our services to satisfy all our customers.

If you have any question about VIPER53SP, please do not hesitate to contact us! Website: https://www.heisener.com E-mail: salesdept@heisener.com
