

**VRF3933 Information**

For Reference Only

**Part Number** [VRF3933](#)  
**Manufacturer** Microsemi Corporation  
**Category** Discrete Semiconductor Products  
[Transistors - FETs, MOSFETs - RF](#)  
**Description** MOSF RF N CH 250V 20A M177  
**Package** M177

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**VRF3933 Specifications**

|                          |                                                                                     |

| Category                 | Discrete Semiconductor Products<br><a href="#">Transistors - FETs, MOSFETs - RF</a> |
| Package                  | M177                                                                                |
| Series                   | -                                                                                   |
| Transistor Type          | N-Channel                                                                           |
| Frequency                | 30MHz                                                                               |
| Gain                     | 22dB                                                                                |
| Voltage - Test           | 100V                                                                                |
| Current Rating           | 20A                                                                                 |
| Noise Figure             | -                                                                                   |
| Current - Test           | 250mA                                                                               |
| Power - Output           | 300W                                                                                |
| Voltage - Rated          | 250V                                                                                |
| Package / Case           | M177                                                                                |
| Supplier Device Package  | M177                                                                                |

## VRF3933 Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## VRF3933 Payment Methods

## VRF3933 Shipping Methods

If you have any question about VRF3933, please do not hesitate to contact us!
