|--------------------------------|--|
| Manufacturer                   | Xilinx Inc.                                      |
| Category                       | Integrated Circuits (ICs)                        |
|                                | Embedded - FPGAs (Field Programmable Gate Array) |
| Package                        | 676-BBGA, FCBGA                                  |
| Series                         | Virtex?-5 LX                                     |
| Number of LABs/CLBs            | 6480   |
| Number of Logic Elements/Cells | 82944  |
| Total RAM Bits                 | 3538944  |
| Number of I/O                  | 440  |
| Number of Gates                | -  |
| Voltage - Supply               | 0.95 V ~ 1.05 V                                  |
| Mounting Type                  | Surface Mount                                    |
| Operating Temperature          | -40°C ~ 100°C (TJ)                               |
| Package / Case                 | 676-BBGA, FCBGA                                  |
| Supplier Device Package        | 676-FCBGA (27x27)                                |
|                                | Report errors?                                   |
