## **Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

## **XC6118C24BGR-G Specifications**

| Manufacturer Part Number     | XC6118C24BGR-G            |
|------------------------------|---------------------------|
| Manufacturer                 | Torex Semiconductor Ltd   |
| Category                     | Integrated Circuits (ICs) |
|                              | PMIC - Supervisors        |
| Package                      | 4-UDFN Exposed Pad        |
| Series                       | -                         |
| Туре                         | Voltage Detector          |
| Number of Voltages Monitored | 1                         |
| Output                       | Push-Pull, Totem Pole     |
| Reset                        | Active Low                |
| Reset Timeout                | -                         |
| Voltage - Threshold          | 2.4V                      |
| Operating Temperature        | -40°C ~ 85°C (TA)         |
| Mounting Type                | Surface Mount             |
| Package / Case               | 4-UDFN Exposed Pad        |
| Supplier Device Package      | 4-USP (1.2x1.6)           |
|                              | Report errors?            |

#### **XC6118C24BGR-G Guarantees**

Quality Guarantees

We provide 90 days warranty. \* If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

# SERVICE UARANTEE

#### **Service Guarantees**

We guarantee 100% customer satisfaction. Our experienced sales team and tech support team back our services to satisfy all our customers.

# **XC6118C24BGR-G Payment Methods**
