**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**YB15WCKW01/UC Specifications**

|                                |   |
|--------------------------------|---|
| Manufacturer Part Number       | <a href="#">YB15WCKW01/UC</a>                   |
| Manufacturer                   | NKK Switches                                    |
| Category                       | Switches<br><a href="#">Pushbutton Switches</a> |
| Package                        | -   |
| Series                         | YB  |
| Type                           | Standard  |
| Circuit                        | SPDT  |
| Switch Function                | On-Mom  |
| Current Rating                 | 3A (AC/DC)                                      |
| Voltage Rating - AC            | 125V  |
| Voltage Rating - DC            | 30V   |
| Actuator Type                  | Plunger for Cap                                 |
| Color - Actuator/Cap           | -   |
| Illumination Type, Color       | -   |
| Illumination Voltage (Nominal) | -   |
| Mounting Type                  | Panel Mount, Front                              |
| Termination Style              | Solder, Quick Connect - 0.110" (2.8mm)          |
| Ingress Protection             | IP65 - Dust Tight, Water Resistant              |
| Features                       | Epoxy Sealed Terminals                          |
| Panel Cutout Dimensions        | Circular - 16.00mm Dia                          |
